Data protection statement

All information that you provide will be held on the British Science Association CREST database, accessible to your local coordinator and staff at the British Science Association. The data will be used only for reporting on the impact of British Science Association CREST to our funders and related education audiences.

CREST is designed to be inclusive of all abilities and backgrounds. We require student data to effectively evaluate and research engagement with the scheme to further implement appropriate strategies to ensure that CREST is inclusive.

Reports will not contain student names; student details will not be used for purposes outside of evaluating and researching CREST.

If you would like to discuss the above statement, please contact the British Science Association's Head Office.

Many thanks for taking the time to help us collect this data.

CREST is an award scheme managed by the British Science Association and delivered across the UK by local coordinators, please ensure that you send this form to the local coordinator for your area and not to British Science Association.
